

I love Saturdays . . .

Ok. So I was a little longwinded yesterday, lol. Sorry, I'm just really excited at the possibilities ahead. I get that way.

I'm hoping you had some time to read [what Kristin had to say](#) about becoming a Pinterest Virtual Assistant on her blog. If not—and I get it, it's the weekend!—I thought I'd give you a little more info so you can think about it while you have a few days off.

This past week, Kristin and Gina did a Facebook live broadcast where they specifically talk about how a business makes money on Pinterest. Which is awesome, because that's one of the very first things I wondered about myself! [You can check it out here.](#)

Again, I'm happy to answer any questions you may have, or simply encourage you as you seek to find your perfect side hustle!

Hugs,

P.S. If you've already decided and want to get on their wait list, [you can do that here](#).
